#### STANDARD FOR EXCELLENCE

Dear Journeyman:

As a Journeyman in the United Association (UA), you have the well earned reputation of being the best and most productive worker in the construction trades. The UA and its signatory contractors are committed to providing you the best possible opportunity for a long and productive career in the trade you have chosen. As part of that pledge, the UA, in partnership with various employer associations, has adopted the attached Standard for Excellence.

These standards apply not only to apprentices and provisional journeyman, but to you as well. The special skills you have learned and demonstrated that warranted your designation as a journeyman bring additional expertise to the work site that are necessary for the future of this organization. The work habits you demonstrate will be part of the foundation upon which the UA and its signatory contractors seek to protest and expand their market share. Your dedication to these principles will show owners that the UA's commitment to excellence is not a short term gimmick, but a genuine pledge now and for the future. Your local union has adopted these standards as an official policy, thereby cementing them into the fabric of your workplace experiences. Please sign in the space provided below, indicating your receipt of the Standard of Excellence, your acknowledgement that they have been explained to you and your agreement to be bound to these principles.

Thank you and please join me as we move forward on a platform built upon the Standard for Excellence.

Fraternally yours,

#### Jim Noon
